

## Our New Store

Far beyond our expectation has been the result of our move. Location, while not quite as central, is so near the center that our old trade all say, "a delightful change." The new market is most satisfactory.

Ventilated by screened windows gives us perfect air. A special tile-lined glass front fruit and vegetable refrigerator gives us the only fruit refrigerator in Norwich.

To appreciate the new market is to see it.

We ask the public to come in. This larger store allows a better display than at the old stand. Quality foods a specialty.

Our rent and expense is about one-half and we will share our savings with our trade by quoting the lowest prices on quality goods.

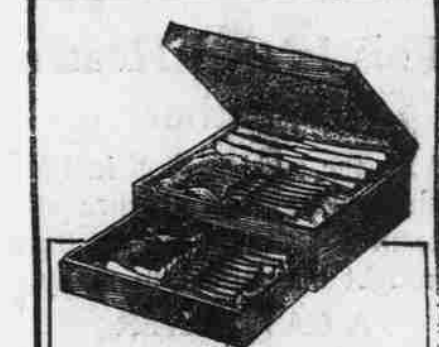

Come to market.

The Sunday morning service began with the organ voluntary which was followed by the call to worship by the pastor, Rev. A. Lawrence Tedford. The collection then was taken, a special thank offering and after this had been received the choir rendered the anthem, Praise The God of Our Salvation, and the congregation sang the hymn, O God Our Help in Ages Past.
